

forth in independent claim 1. Likewise, claims 9, 16-18 and 20, which stand rejected over the combination of Olgaard et al in view of Wecker, are directed to a scheme according to that set forth in independent claims 1, 14 and 19, respectively. In other words, since these dependent claims are also directed to a scheme which could not have been anticipated nor rendered obvious in view of Olgaard et al's teachings, either alone or in combination with Morita and/or Wecker et al, reconsideration and withdrawal of the outstanding rejections directed thereto is also respectfully requested.

Therefore, in view of the amendments presented hereinabove together with these accompanying remarks, reconsideration as well as favorable action on all of the presently pending claims, i.e., claims 1-29, and an early formal notification of allowability of the above-identified application is respectfully requested.

If the Examiner believes that there are any other points which may be clarified or otherwise disposed of, either by telephone discussion or by a personal interview, the Examiner is invited to contact the undersigned representative at the number indicated below.

On page 9, please replace the paragraph beginning on line 24, with the amended paragraph as follows:

If, however, more information is available, then the WAP server responds by sending ~~440~~ 240 to the user's phone a URL from which further information may be obtained. The URL may be sent alone, or it may be accompanied by further information for display on the device. The URL is then stored in the user's telephone, or as mentioned previously, in a removable memory device such as a SIM card. In this example, if the restaurant has a website on the Internet, its URL may be transmitted to the user.
